COOK COUNTY 1.2 SW WINNETKA [42.11,	-87.74]			
	07/01/12 12:05 CST		10K	Thunderstorm Wind (EG 65 kt)

Windows were blown out of buildings in downtown Winnetka.

Thunderstorms began developing during the late morning hours of July 1st across northern Illinois and continued into the early afternoon hours. Some of these thunderstorms organized into a powerful line that produced widespread wind damage across parts of north central Dupage County with wind speeds between 75 mph and 90 mph. Power outages in these areas lasted several days.
